Dear Dave,

I want to formally thank you and your staff for an excellent job. The renovations and new wing at Sturgis Street came out great. Everyone is thrilled with the outcome including our Chief Executive Officer and Chief Financial Officer.

I know the only way a project with as many obstacles as this one had; not to mention the shoestring budget is completed on time and under budget; it's due to an excellent attitude and the mind set to do whatever it takes to get the job done.

Thanks so much for making me look so good!

Sincerely,

Dennis J. Buchieri
Facilities Director
